News from the Masters Family

Dear Friends

Hello to people at St Ronan's from us, we think of you often and hope that everyone is well. It's hard to believe that it was a year ago that we packed up our house in Muritai Road and journeyed north to Rotorua. We are enjoying life in Rotorua and feel very settled here, although we do miss the beauty of Eastbourne and the people who made our time there so special. We have been made very welcome by the Rotorua District Presbyterian Church, and Ed has found that his internship experience at St Ronan's has provided an excellent grounding for his ministry role here.

Rotorua area, particularly the many beautiful lakes.

Natalie joined our family on 10th July, a healthy little girl of 9lb 3oz. We are enjoying getting to know her, she is a very settled, happy baby and smiles at everyone she sees.

Adam has been a wonderful big brother who enjoys helping out and reading books to Natalie. Adam has grown up a lot in the last year, and is a very chatty little boy who keeps us well entertained. He loves music, and we see his Eastbourne roots in his love of native birds and trees – he loves spotting fantails and rimu trees

We pray that things are going well in Eastbourne, and wish you all a very merry Christmas. Do make contact if you are in Rotorua, we'd love to see you.

Blessings, **Jo, Ed, Adam and Natalie**

Wait, There's more to share, though you may know all about **Reuben & Lucy Hardie**, and their 5 children – **Sebastian, Benjamin, Oliver, Leon, and Amelia** who, according to her grandmother, stands up for herself despite or because of her older bros.

Reuben is chaplain and religious studies teacher at St Kentigern's Primary School, and this mean he lives in the school house at 70 Shore Road, Remuera, Auckland 1050, and a great help for housing the family.

And from the St Ronan's Record team, a happy Christmas with family & friends, and an interesting New Year for us all.
